

FLOUREON 1080P 18X ZOOM CCTV Security Waterproof IR-CUT PTZ Dome IP kamera Night Vision

1080P
Onvif **18X Optical zoom** **FLOUREON**[®]
2.0 Megapixel

Features:

Standard **H.264 video compression** algorithm to satisfy the transmission of high definition video.

Support **P2P (point to point) technology**, the IP Cam can be linked through the internet without any complicated port mapping.

2.0 Megapixel CMOS Sensor, 18X ZOOM, maximum image resolution is up to 1920*1080.

Pan tilt: Pan:360° / Tilt: 93°

Embedded '**IR-Cut Filter**' provides Enhanced Picture & Color Quality

Support **motion detection, send alarm information by Email.**

Integrated ONVIF standard, Compatible with brand NVR such as Hikvision, Dahua and so on

PC surveillance software and mobile phone client are included, very easy remote network surveillance

PWM infrared control technology, infrared distance max up to 50 meters, More power saving, long service life.

Military circuit design, IP66 waterproof grade, anti surge, anti lightning (can prevent the 6000V transient voltage).

Unique 3D positioning function, to capture the goal is more convenient, accurate, fast.

Mobile view allows you to realize remote view & recording anywhere & anytime.

Remote Viewing Anywhere, Anytime

View live video of the system from anywhere anytime via your smartphone, tablet or PC.
With advanced P2P technology, you are able to remote access your system in minutes or less, no portforwarding needed, Remote access has never been so easy.

iOS ipad&iphone / Android

Windows XP, Vista, 7, 8

Package Includes:

- 1 *1080P Varifocal 18X ZOOM Dome IP Kamera
- 1 * Power Adapter (**EU Plug**)
- 1 * CD Disk

Specification:

Hardware	Model	BT-HD54F
	Product type	IP Camera
	Operation system	Embedded operating system
	Special function	Plug and play for Smartphone, P2P
Camera	Image Sensor	2.0 Megapixel CMOS Sensor
	Lens	4.7-84.6mm Varifocal lens
	Zoom	18X Zoom
	Infrared Light	4 pcs Array IR Leds
	Night Vision	60m Night Vision Distance
	Min. ?illumination	IR on,0 lux
	P/T Angle	Horizontal 360°;Vertical 90°
	QR-Code Scan	Support
Video	Resolution	1920*1080@30fps
	Compression mode	H.264
	Bit Rate	256~10000Kbps
Network	Network protocol	TCP/IP, UDP/IP, HTTP, SMTP, FTP, DHCP, DDNS, UPNP, NTP, ARP, ICMP, P2P
	Network Interface	1 RJ45 & 10M/100M Ethernet interface
	Connection protocol	Support ONVIF 2.0
Alarm	Alarm mode	Motion Detection
	Alarm action	Send alarm photo to your email
Power	Power supply	DC 12V 3A
	Power consumption	Day: <3W Night: <12W
Other parameters	User management	Supports multi-user management
	Mobile view	Support iPhone, Android device
	Browser	IE8.0 above, Mozilla Firefox
Appearance	Body size	295*280*170mm
	Product weight	1.6 kg
Environment	Temperature	-20°C-60°C
	Humidity	10%~95%
Certificate	CE, RoHS & FCC
